

How You Can Help

- Display blue lights throughout your community
- Attend and/or volunteer at Blue Light Coalition events
- Donate to our cause. A modest gift goes a long way.

Vision

To provide resources that enable law enforcement officials to stage the “Thumbs Up” assembly to all 60,000 elementary school students in Pierce County.

Mission

The Blue Light Coalition develops partnerships to help build stronger and safer communities by educating youth and honoring our public protectors.

HAPPY! = Honor All Public Protectors...Yes!

Assemblies Presented by Trooper Guy Gill

Building Police-Community Relations

The Blue Light Coalition is a non profit volunteer grassroots organization dedicated to supporting Law Enforcement. We educate youth about safety and the role of Police in our community by presenting elementary school assemblies in partnership with the WSP. Our "Thumbs Up" assemblies teach kids to be H.A.P.P.Y = Honor All Public Protectors...Yes! This is reinforced with a "Thumbs Up" to all public protectors. We also support Police oriented public events such as National Night Out and honor the fallen by attending memorials and vigils.

If you would like to schedule a "Thumbs Up" assembly at your Pierce County elementary school please visit our website. We teach kids how to be safe, stay out of trouble and respect and honor our public protectors.
